VR's laws

Article 11 The qualifications of Board members

Board members according to Article 10 and, as applicable, Board members of funds according to paragraph 3 of Article 26 shall be employed in the area of operation of the union. The same rule applies to other elected representatives on the union's boards and councils. A Board member shall be financially independent and may not, in the past 5 years, have suffered a judgement for a punishable offence. Board members may not own more than a 5% share in a company operating in the area covered by the union. The same applies even if their share of ownership is less than 5%, if the spouse of a Board member or his/her children have a controlling share in such a company. Board members may not be employed as managing directors of a company, institution or organization where they have the same legal position as if they were the employer. Board members who cease to qualify according to the above during the term of office are automatically and immediately removed from the Board and replaced by their alternates until the end of the term. The same rule applies to other elected representatives in the union's boards and councils. Candidates for the Board of VR shall fulfil the above qualifications before the candidacy deadline, cf. 20.3, paragraph 3, taking into account paragraph 7 the same article.

If disputes arise regarding qualifications, the Election Committee shall decide.

In the deliberation on individual issues, a Board member shall vacate his/her seat if he/she has a vested interest that may conflict with the interests of the union.
